

Cheat the Calendar – Garden in March!

Make a date now to attend our Flowering Container Make & Take workshop. Get the latest on new annual plants, techniques and combinations then pot up your own containers in our warm greenhouse and leave them here to grow. Then, take them home in May. We call it Make & Take and it's pure springtime fun a couple of months early! This is great garden fun for beginners, groups, corporate hospitality, or to decorate for special occasions. We will schedule a private session for groups of 10 or more.

Call us at 507-388-4877 & reserve a seat for the class that fits your schedule best.

Saturday, March 7 with special guest Carrie Larson 10 a.m. & 2 p.m.
